

I understand that Sinclair Broadcasting has decided to force their stations to air an anti-Kerry documentary before the election. You cannot allow that.

Since Sinclair uses the public airwaves free of charge, it is obligated by law to serve the public interest. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.
